Group baggage

[3200/07]

Are you travelling in a group and concerned about the amount of luggage you are taking?

Or are you simply travelling on business and have more than your recommended luggage allowance?
(2 items of luggage and 1 piece of hand luggage).

If either of the above applies and you are planning to visit London, Paris or Brussels by Eurostar, we can certainly assist with your luggage requirements.

We are here to help tour groups of any size including:

- students groups
- film crews
- orchestras
- parties travelling with conference materials
- sporting groups (golfing, shooting parties etc...)
- cyclists

or simply those with excessive amounts of luggage.

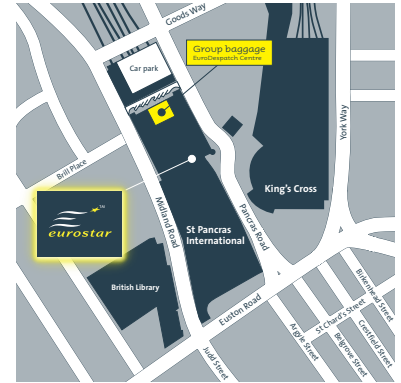

Let's take it off your hands...

Eurostar offers fast and efficient luggage check-in facilities at the three main international terminals (see station maps opposite) and uses dedicated on-board luggage compartments for extra security.

Simply relax and enjoy your journey with Eurostar in comfort and style while we take care of your luggage, ensuring it arrives as quickly as you do...
