Taking the train over? Then take over a Eurostar™!

Excuse me, that's my train you're sitting in!

Did you know that you could hire an entire train for the exclusive use of your group? Why not charter a Eurostar™ to Paris, Brussels, Disneyland or beyond and you'll have the UK's fastest train to use as you please? Our trains may be quick, but if it's size that matters to your group we've got no trouble in that department. With 750 seats at your disposal, Eurostar™ offers unrivalled capacity for large groups making it the ideal mode of transport to major corporate events such as incentives, conferences and exhibitions. You could try and cram 750 people on an aircraft, but let's face it – that would be plane silly.

Got a large group to take to a major industry show? Why not make an exhibition of yourself!

Why be incognito when you could be infamous?

You could hire our **Group Welcome Desk** to ensure that your group stands out from the rest. It's the ideal meeting point for large groups and you can be sure that people will be checking you out before you check-in! You could also arrange for personalised messaging on the information screens or tannoy system in the Departure Lounge and even have tailored announcements on board the train! In January this year, Eurostar™ had the honour of transporting 750 guests on a charter to Disneyland® Resort Paris for the ITMA Awards, one of the premiere awards event for the Conference and Incentive Industry. The event was a huge success and our guests were virtually unanimous in praising Eurostar's excellent personalised charter service. One of our guests summed up the occasion:

"The entire Eurostar™ experience was excellent – I was very impressed".

All change, please! All change!

Take full advantage of an array of options for branding, catering and entertainment to tailor your Eurostar™ charter to your exact requirements:

"Loaded up before you go-go, headrest covers with your corporate logo!"

Cover the seats on your charter train with the logo of your company or brand.

Rail Variety Performance

An endless choice of onboard entertainers for your journey including magicians, tarot card readers and masseurs.

"I'll have the Duck à l'Orange 750 times please!"

An assortment of meal menus for you to choose from served across the entire train.

You can even go to the lengths of wrapping the entire train in your corporate colours, just like some of our customers who emblazoned their Eurostar™ charters with the logos of their new products en route to product launch events in Paris. It's just perfect for some exposure as you travel to your event. Don't just be a customer... customize! The only limit is your imagination!
