

Connecting in Brussels-Midi/Zuid station

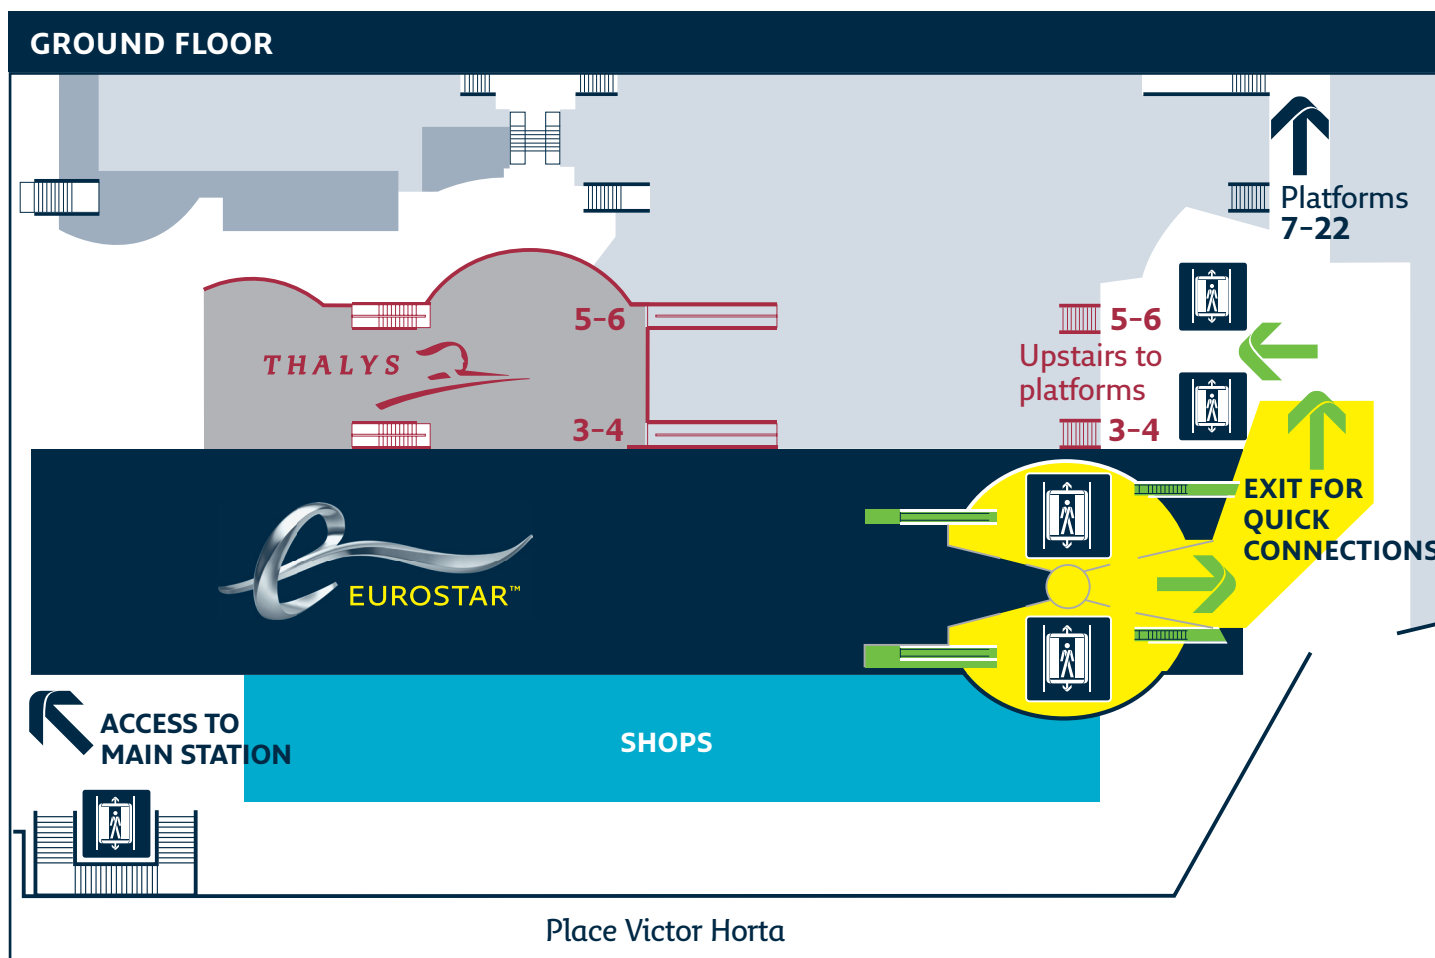

From your Eurostar train, the quickest route to the Thalys platform is via the exit between Eurostar coaches 11 and 16 (see map below). There is another exit at the end of the platform. This will lead you to the main station area and various cafés and chocolate shops. Both exits will take you to the ground floor.

ON THE GROUND FLOOR

From the quick connections exit turn left out of the double doors and follow signs pointing left again to Thalys trains (see green arrows on map below). Take the lift or escalator up to platforms 3-4 and 5-6.

Thalys trains normally depart from platforms 3-6 but do check the departure boards to be sure.

YOUR RETURN JOURNEY

On your return journey you will arrive in the Thalys area shown above. Exit into the main station area and turn left to find the Eurostar check-in. Remember to check in at least 30 minutes before departure.
