CONNECTING IN LILLE EUROPE

WHETHER YOU'RE EXPLORING LA BELLE FRANCE OR OFF TO DISNEYLAND® PARIS, HERE'S ALL THE INFORMATION YOU NEED.

On arrival in Lille Europe, head upstairs from the Eurostar platform to the main station. On the departure board, look for the train number and departure time to find the platform for your onward train. Trains are normally displayed on the departure board around **15 minutes** before departure.

- All platforms in Lille Europe are below the concourse level, so you can use the lift, escalator or stairs to get to your platform.
- You'll need to stamp or 'composter' your TGV ticket in one of the yellow, waist-high machines or 'composteurs' near the escalators.
- You won't need to check in for TGV trains. As soon as you find your train, hop on and your tickets will be checked on board.

HEADING HOME?

On your return journey to the UK, you'll need to check in at least **30 minutes** before your Eurostar train leaves Lille, or 10 minutes if you're travelling in Business Premier.

In the Eurostar departure lounge and on the platforms, you'll find a '**Composition des trains screen**'. This'll help you to find the right place to wait on the platform to board your coach when the train arrives. Just to let you know, you'll be in **zone U** on the platform as you leave the escalator/lift.

LILLE FLANDRES

Lille Flandres is just a short 10 minutes walk. Take the escalator out of Lille Europe and walk straight ahead. The Euralille shopping centre will be on your left and the station is after this.
